

SUMMER 2020

THE PLACE TO DISCOVER
LIFE AT ITS BEST

KEN RILEY
EXECUTIVE DIRECTOR

FROM THE DIRECTOR:

Discovery-based learning has been the hallmark of the Lake Ann Camp experience for generations. When Scripture says, “since the creation of the world God’s invisible qualities... have been clearly seen, being understood from what has been made,” we think it just makes sense to get our campers outdoors to experience God firsthand in His creation. There is no nature deprivation at this camp!

FOR THOSE NEW TO LAKE ANN CAMP, HERE IS WHAT YOU CAN EXPECT:

- ✓ 325 acres of Up-North water, woods and collaborative discovery.
- ✓ Age level programs specific to the interests and needs of each age level.
- ✓ A summer even better than the last! As campers grow from one age level to the next our programs will become more challenging and even more attractive to our campers!
- ✓ God’s Word taught in such a creative and engaging way that campers are likely to say chapel was the best part of the day.
- ✓ Challenge by choice. In other words, we don’t force our campers to participate if they are challenged beyond their capability, but we will always encourage them to take at least one step out of their comfort zones.
- ✓ New friendships. Many of our campers meet friends they will know for life, and their new friends will come from across the country and possibly around the world.

JUNIOR CAMP

FOR CAMPERS ENTERING 4th AND 5th GRADE:

New beginnings are a big part of growing up, and at Lake Ann Camp that is our specialty. Think of how much fun you will have when you meet new friends and play a ton of cool games together. Do you like swimming? Perfect! Just picture yourself playing King of the Mountain on our water mat, jumping on our water trampoline, using stand-up paddleboards, canoeing, and of course using The Launch, our 125-foot-long super slide. How about snorkeling? We have that, too!

Out of the water is even more fun for Junior campers! Have you ever touched an Emu before? We have those in our Acorn Acres petting farm along with kittens, chicks, friendly goats and a whole lot more. And then there's Lavinrac, which is "Carnival" spelled backwards. It's like your own personal day at the fair with crazy games all put on by the Junior High campers just for you. Oh, and don't forget the counselor hunt, World Domination and daily relay games... sound like fun? Most of our campers just describe it as the "Best week of my life!"

Chapel is also a great time. Lake Ann's speakers are hand-picked because they love kids and they love to teach God's Word in a creative way. This year's theme will be the greatest commandment: Love the Lord your God with all your heart, with all your soul and with all your mind. Together with your cabin you will learn more of who God is and why we would want to love Him.

Don't wait, grab a friend and SIGN UP TODAY!

JUMP START

FOR CAMPERS ENTERING THE 6th GRADE:

You made it! You are now old enough to go to Jump Start, the most fun you will ever have in God's creation. Have you ever seen a plant that eats bugs? We have them at our bog and you'll get to see them up close! You'll also find really cool creatures in the Platte River like crawfish and dragonfly nymphs that breathe from their bottoms.

On Jumpstart you'll spend a beautiful afternoon floating down the Platte River on your own tube with lots of friends who are doing the same thing. Oh, and you get to do everything the Junior campers do on the camp's amazing waterfront, including the Blob on Friday! Another great adventure will be the trip to Pyramid Point in the Sleeping Bear National Lakeshore. And did you know that Jump Starter's get to live in tree forts? It's true!

Not only will all your activities be in the woods; you'll also have chapel in an outdoor amphitheater. Your speaker will teach lessons on how it takes courage to make right choices in life by walking you through the lives of many interesting Bible characters. Jump Start is the perfect way to get ready for the teen years ahead.

Sign up soon, all but two weeks were at capacity in 2019!

FOR CAMPERS ENTERING 7th AND 8th GRADE:

Are you ready for the best week of your life? Junior High camp has exploded the last several years at Lake Ann, and it may be because of how much fun it is! This year we have a brand new high adventure activity we know you'll love. It's called Crate Stacking, and it involves four campers working together to stack and climb towers of milk crates until they collapse. You'll be harnessed in, so it's just as safe as it is fun. The record is 17 high!

On the waterfront Junior High campers get to do the Blob and the waterslide all week long as well as paddle boarding, swimming and a variety of great water activities. This week at camp will also be your first chance to do Lake Ann's famous challenge course, and you'll take a trip to the Sleeping Bear sand dunes with the entire Junior High program! Thursdays are always a riot as our Junior High campers run Lavinrac for the Junior campers. Lavinrac is simply "Carnival" spelled backwards and it's like your own personal county fair, but now you're the one in charge.

Campers tell us all the time that chapel is the best part of the day. Heartsong, from Cedarville University will lead you in worship, and they are AMAZING! Your speaker will take on the theme; Is God Real? No matter what challenge you face in life, Junior High camp will help you face it with hope and confidence.

FRESH START

FOR CAMPERS ENTERING THE 9th GRADE:

Fresh Start is a once-in-a-life-time week where every camper is the same age as you. Your week will start out in Fresh Start Village, secluded from the rest of the camp, and you'll set up home in Yurts. Tuesday you'll head down to what campers call; THE MIGHTY PINE RIVER, and your rafting adventure begins!

Each turn in the Pine River will be an opportunity for you to get to know your rafting partners and learn lessons that will guide you through the challenges of life. Ultimately Fresh Start is designed to build your confidence, a very important life lesson, especially as you head into the intimidating world of High School. You'll find confidence to face the challenges ahead, not alone but with the help of your Heavenly Father who loves you and is bigger than any challenge you will ever face.

Thursday you will head back to Fresh Start Village for challenge course experiences and Jacob's Ladder, your very own high adventure activity. Friday night the highlight will be a combined chapel with all of the camp's programs and Glorybowl. All in all, this will likely be one of the most meaningful and memorable weeks of your life.

SENIOR HIGH

FOR CAMPERS ENTERING 9th- 12th GRADE 2020 HIGH SCHOOL GRADUATES WELCOME

Senior High camp continues to be the most popular program at Lake Ann, and why wouldn't it be? The friends you meet in your cabin will come from nearly 30 states and many different countries. Together you'll engage in team building activities and meaningful interactions. Your team will become like family while you're at camp.

This year's high adventure activity is Goliath. Goliath is a four-person activity that builds trust and community while encouraging you to push yourself beyond your known boundaries. It is an amazing tool for learning how to overcome obstacles in life that may be holding you back.

You can expect chapel to be one of the highlights of your day. Heartsong, from Cedarville University, will lead worship, and they're a favorite at Lake Ann. Worshipping in the Bolthouse Chapel is like none other. Depending on your week you will either have Ken Rudolph or Tony Tice, and you can know that the messages they bring will be relevant, engaging and challenging.

Come and see for yourself what makes this camp the fastest-growing of all Lake Ann Camp programs!
