Speaker Travis Walker

“I grew up in Northeast PA and am the child of two parents who were in full time ministry. I met Kaci, a Michigan girl, at Bible college and somehow built up the courage to ask her out. Kaci and I got married after we graduated from Clarks Summit University in Pennsylvania in 2004. We now have three children and have been in full time ministry since 2005. We have been here at First Family Church since 2014, and are so grateful God brought us here. We love the city of Ankeny and the whole Des Moines area! If you want to know a little about me, there is almost nothing I enjoy more than talking or reading about theology/church while sitting at a coffee shop.”
